## ASHRAE

AMERICAN SOCIETY OF HEATING, REFRIGERATING, AND AIR CONDITIONING ENGINEERS

May 2005

### Governor Mandates Energy Efficiency; How Will This Affect YOUR Facility?

Last month, we had an interesting talk by Julian R. de Bullet from McQuay Int'l on Variable Flow Chilled Water Designs. Thanks to all who attended.

Meet the New Mexico Facility Managers Network on Tuesday night, May 17<sup>th</sup>, for a joint session on important information about the new energy conservation laws and how your facility will be impacted.

Do you know what programs you must implement? How can you recover the costs associated with these mandated changes? What is the timeline for the execution of your process improvements?

Jeff Burkes is the Public Service Company of New Mexico's Director of Environmental Sustainability and well-versed in the impact of this recent legislation. Assisted by Steven Bean, PNM Program Manager, their information is critical and timely.

So join us for this month's meeting on May 17<sup>th</sup> at The Petroleum Club. Social hour at 5:30pm. Main presentation at 6:30pm. Please RSVP by May 13<sup>th</sup> to Jason Moorhead at 505-821-2563 or email [jason@mechrep.com](mailto:jason@mechrep.com). Email is preferred.

**Please reference your dinner choice when responding.**

Dinner Choices :

Beef Bourguignon with Pasta

Red Snapper with Orange Butter and Toasted Pecans

Vegetarian Chef's Selection.

### ***PRESIDENT'S MESSAGE***

Well the last meeting of the ASHRAE year is going to be May 17<sup>th</sup> and that will wrap up our year. I would like to thank all of you for letting me be your president this 50<sup>th</sup> year of our chapter's existence. It has been a very busy and successful year and I would like to give the board a special thanks for all their hard work and recognize their employers who help support their time and effort serving ASHRAE.

## From the History

### Books

March 1969

Chapter Officers were:

President:	William McCord
President-Elect:	Barc Barnett
Secretary:	Robert Friggens
Treasurer:	Peter Lujan

The speaker for the meeting was Bob McKee. He spoke about “Owning and Operating Costs of Air Conditioning Systems”.

It was announced in the Thin Air Bulletin that Frank Bridgers was nominated for the office of President Elect of ASHRAE.

Planning began for the 75<sup>th</sup> Anniversary of ASHRAE at the Chapter level. A formal celebration was celebrated at the 1969 Annual Meeting in Denver.

## **STUDENT ACTIVITIES**

At this month’s meeting we are going to be handing out our awards to this year’s science fair winners, along with awarding our annual scholarship to a UNM school of Engineering student. Please help us make them feel welcome at this month’s dinner meeting.

Charlie Scoggin

## **ASHRAE Research Promotion**

With the end in sight, we need your personal participation to cross the finish line. Thirty contributors at \$75 each will win our race for Research Promotion. That’s a round of golf and beers for the foursome.

Every dollar raised for ASHRAE Research is used for research. ASHRAE is currently managing over \$11 million in research projects around the world and has many more approved projects just waiting for the funds to begin their research. That’s why your financial support is needed and greatly appreciated. And if you can only see your way to smaller contribution, our gratitude is still the same.

Need to see value you for you money. Annual contributions total more than \$1.7 million and ASHRAE matches your contribution dollar-for-dollar from the proceeds of the annual winter AHR Exposition. Since ASHRAE pays all the fund raising expenses, **100% of every donor’s invested dollar goes into the research program.**

That’s value for your tax-deductible buck. Be one of the thirty, or better yet, one of the fifty that takes us over the top.

A special thanks to all of our board members, past and present for their consistent support at the \$100 level that has honored our chapter with the Full Circle Award from ASHRAE from its inception over ten years ago.

For more information on the Research Promotion project, email me at [jasperger@cresthvac.com](mailto:jasperger@cresthvac.com) or 344-5578, or send your check to *RESEARCH PROMOTION, 7005 4<sup>th</sup> St NW, Los Ranchos, NM 87107*
