September Meeting Announcement

Join us for our first chapter meeting of the 2016-2017 year. The topic is "Applied Psychrometrics" by speaker Pat McMahon, P.E.

Date: Tuesday, Sept 27

Time: 11:30am - 1:00pm

Location: [Pappadeaux Kitchen](#)

Cost: \$25 (members) / \$30 (guests)

[Click here for more info or to register online.](#)

(Cash and credit cards also accepted at door)

Message from the President

Welcome back from the summer to the 2016-2017 ASHRAE year. We have many tremendous programs planned for this year. In light of all the work the Board of Governors does to keep the chapter running, I would like to thank a couple of recent BOG members. As Seneca said "Men do not care how nobly they live, but only how long, although it is within the reach of every man to live nobly, but within no man's power to live long." We must appreciate all the time that these two individuals invested in running the chapter during a drought in chapter leadership.

Morgan Royce just finished a two year stint as the Research Promotion chair. He raised over

Annual Golf Tournament

Thank You All who participated through sponsorships and playing in this year's annual golf tournament.

This is the single event each year that affords us an opportunity to give back as a society in many ways, including student scholarships, distinguished lecturers, research promotions, social events, and more.

Thanks again to all our Sponsors:

\$15,000 for ASHRAE to invest in new research. Joe Higham just finished two years where he was the defacto president. He ran the chapter with adroitness and to great regional acclaim. His second year as President was the first year since 2011 where the chapter accomplished the regionally set PAOE goals. Thank you both for your enormous contributions.

In order for no volunteer to ever be asked commit to the extra time which Morgan and Joe gave to the chapter, we will be on a concerted Board of Governors recruitment campaign this year.

This space will serve as a series of points on the varied ways which you can be more involved in ASHRAE. My main ask: read the newsletter and sign up for events. As a first step to encourage this participation, anyone who contacts me with suggestions on how to better the chapter before the first meeting will receive entrance to a chapter meeting of their choosing this year paid by me. Feel free to e-mail me at stephen.fornier@trane.com with your thoughts and suggestions for the year.

Sincerely,
Stephen Fornier
NM ASHRAE President
2016-2017

Upcoming Events

Sept 27 Chapter Meeting
Applied Psychrometrics
11:30am - 1:00pm

From the History Books

September 2006

President: Deward Stegal

President-Elect: Rich Reif

Secretary: Dan Beckley

Treasurer: Dan Harmeyer

The program featured a joint meeting with the NM Chapter of ASHRAE and Facility Managers featuring Harry Relkin as the speaker. Mr. Relkin, director of land development for Forest City Covingtonm N, LLC, the master developer of Mesa del Sol, a 12,000 acre mixed use development, spoke about the project.

Young Engineers in ASHRAE

Registration is open for the Fall 2016 YEA Leadership Weekend! This event is scheduled for November 4-6, 2016 in Charlotte, NC and focuses on professional development. Registration is \$400 and includes hotel accommodations for two nights, meals during the event, and all necessary materials and

Student Activities

ASHRAE New Mexico Chapter will be sponsoring a STEM Day at George I. Sanchez Collaborative Community School on Tuesday, October 4th from 9-11am. We will be introducing middle school students to the fun and exciting world of engineering! Approximately 30 volunteers are needed to lead

supplies. Attendance is limited to the first 30 applicants and the deadline for registration is Monday, October 3, 2016. [Learn more.](#)

the kids through interactive projects. Members are encouraged to contact Doug Brown if they are interested in participating in this rewarding event. dbrown@whpacific.com or [505-401-4688](tel:505-401-4688).
